

Sky Harbor Lodge 2559
International Association of Machinists and Aerospace Workers
2727 W. Baseline Rd., Suite 16, Tempe, Arizona, 85283

September Update

- The Lodge members have voted to send a contribution to the IAM Disaster Relief Fund in support of those affected by recent weather events in Texas and Florida. Want to help? Go to www.goaim.org to donate.
- We've moved! While we are in the final phase of our renovation, our new Union Hall is up and running! The new location is in the same complex as our old location on 48th Street and Baseline, and the new address is on the header of this update.
- As a reminder, all members in good standing are invited to attend our General Membership meetings, which are held at the Hall, on the second Tuesday of every month, at 4:00pm.
- The Lodge President is currently accepting letters of interest for members interested in serving on the Local's committees, including Bylaws Committee, Budget Committee, and Education Committee. Please email president@iam112559.org for more information. Committees will be selected by October 5th.
- We're on Twitter! Follow us @SkyHarborLodge for the latest! Also, our members-only Facebook page is open to all members, so be sure to look us up!
- Jetstream negotiations are going well, with all proposals now on the table for consideration. American Airlines contract negotiations resume October 2nd. Alaska Airlines negotiations resume November 1st. Updates available at www.iam141.org and www.iamdl142.org.
