Memorandum

Sisters and Brothers,

The Executive Board of the Sky Harbor Lodge has modified its policy regarding excusals from General Membership Meetings.

Beginning August 11, 2015, members that are working, and are as such unable to attend the General Membership Meeting, shall include with their request for excusal an appropriate verification of their work schedule for the day in question.

Questions as to the Lodge's policy on this matter may be directed to my office.

Yours in Solidarity,

Jason A. Kammer
President
