

BYLAWS OF PHOENIX SKY HARBOR LODGE NO. 2559

PHOENIX, ARIZONA

PREAMBLE

The most famous and lasting preamble to any act of laws we live by is quoted here for our constant guidance.

"We, the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America."

We, the members of this Lodge, have joined together to form a local union affiliated with the respective District Lodges of our members, and the Grand Lodge to better our relationship with our employer, our community, our country, and with each other.

To achieve these aims, the cooperation of all members at all times is essential. Part time participation allows us to receive partial results. A good union member is one who devotes a part of his/her spare time to attend meetings and advance his/her ideas to the betterment of himself/herself, his/her fellow workers, the community, and his/her country.

To fulfill these aims in an intelligent way, we should all be familiar with these bylaws, our respective District bylaws, and IAM Constitution. In our relations with our employer we should all be familiar with the current working agreement.
